- Supervise and support the production of quarterly IFRS consolidated financial statements, as well as annual statutory accounts
- Manage the annual audit for the company
- Lead specific accounting IFRS projects including the adoption of new accounting standards or new requirements, the treatment of complex transactions or operations
- Participate in strategic projects and financing operations
- Manage tax operations and tax compliance
- Oversee and maintain a proper internal control system
- Lead, develop and manage the accounting team by communicating job expectations as well as planning, monitoring and appraising job results

What you bring

- 10+ years of hands-on and strategic experience in financial accounting, auditing or financial services
- Experience in big 4 or/and in a similar role
- Strong knowledge of consolidation, IFRS and Swiss Code of Obligations.
- Knowledge of Swiss tax requirements is a plus
- Strong knowledge in SAP and Microsoft Excel
- Fluency in French and English
- Excellent business judgment and decision-making skills

- Result orientation - excellent analytical, reasoning, and problem-solving skills.
- Ability to work and thrive in a fast-paced environment
- Proactive and collaborative team player and project management skills, with ability to bring projects to timely completion. Experience in building teams and working in a constant growth and dynamic environment

What we offer

- An exciting and dynamic environment with a unique start-up corporate culture where proactivity and personal commitment are highly valued
- 5-6 weeks of holiday
- Diverse and several fringe benefits

Have we sparked your interest? Then we definitely would like to get to know you. Please apply to us online (we only consider online applications).
